

***Pet Reminders & Service Animals:**

Please ensure that your dog is properly restrained on leash and under your control at all times to ensure they are not approaching other people or animals. Please clean up after your pets in your yard and in the common areas.

Many tenants have **service animals** that have a distinguishing vest to demonstrate they are on duty. Please DO NOT interact with a working animal by petting, calling, talking, giving treats, guiding, steering or holding this animal without permission from their owner. This allows these trained animals to provide the best possible support to their persons.
